Charge in addition to the price of the products: Packet communication fee at the time of a site connection

Payment methods: Credit card (VISA, MASTERCARD, DINERS, JCB, and AMEX)

*We use the credit card payment system of GMO Epsilon, Inc. as a credit card payment surrogate.

When your customer information is transmitted via the Epsilon system, it is encrypted using SSL (128 bit).

We do not hold credit card information on this website.

This information is managed strictly by GMO Epsilon, Inc.

*The charge and payment time are determined based on a contractual agreement between a credit card company and the customer.

Service providing method: Once the payment is complete, services are provided at any time by Internet communication.

We will inform you via e-mail or by other means if it is delayed.

Service providing period: From monthly subscription completion to monthly subscription cancellation

Mid-term cancellation: Even if cancellation occurs in the middle of a month, a monthly fee will be charged.

There will be no refunds, including refund of unused days.

Also, please be aware that if you cancel the service, you will be unable to use the service immediately, even in the middle of the month.

In addition, if a contract is made again within the same month after cancellation, a fee will be charged again.

About refunds: Due to the nature of the product, refunds cannot be granted as a matter of principle.
